## The Benefits of TimberSIL<sup>®</sup> Marine Pilings

Creating a fusion of wood and glass transforms wood into a super-hard and strong material, and this is a great feature for marine pilings. Instead of heavy doses of highly toxic chemicals that foul the water and threaten the environment, TimberSIL<sup>®</sup> creates a completely non-toxic wood/glass barrier that is unattractive to organisms and possesses a surface that is too hard to effectively penetrate.

TimberSIL<sup>®</sup> Wood Products has passed the test of time in marine environments, and in harsh swampy ecosystems. We proudly offer a unique 3 year warranty that is unmatched by any other product.

**IMPORTANT NOTICE TO PURCHASER  
TIMBERSIL® WOOD PRODUCTS  
LIMITED WARRANTY CERTIFICATE  
FOR MARINE PILINGS**

TTT warrants to the owner/occupant (Buyer) of the real estate upon which this product is used or to the owner of any personal property into which this product is incorporated, that for 3 years after purchase of this product the TimberSIL® pilings used in saltwater environments will be free from such decay, marine borer, or termite damage as would make the pilings structurally unfit for the purpose for which it was used. Only pilings bearing the TimberSIL® Warranty Label are covered by this warranty.

TTT's only obligation under this warranty shall be to replace such quantity of TimberSIL® pilings proven to fail to meet the accepted standards of wood resistant to termites, marine borers, and rot and decay. This warranty does not cover any removal, installation, re-installation or freight costs. This warranty does not cover warping, splitting, twisting, checking, weathering or other changes in the shape of the pilings. This warranty does not cover damage to TimberSIL® pilings resulting from any cause other than marine borers, termites or decay.

This warranty does not cover incidental or consequential damages. TTT shall not be liable or responsible for any loss, damage or liability, direct, indirect, incidental, special or consequential, arising out of the sale, use or misuse of, or the inability to use, its products.

This warranty is extended only to the owner/occupant of the real estate upon which this product is used or to the owner of any personal property into which this product is incorporated. This warranty is not transferable to any future owner or the real estate or such personal property. No warranty, express or implied including the implied warranties of merchantability and fitness for particular purpose shall extend beyond the period of the 3 Year Warranty herein. Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of the incidental damages, so the above limitation or exclusions may not apply to you.

The owner to whom this warranty is extended agrees to notify TTT in writing at the following address listed below within 90 days of first learning of a possible defect in the product which may lead to a claim under warranty. The owner must give TTT this notice before TTT shall have any obligation under this warranty. You are advised that in order to make a claim under this warranty you must present evidence of purchase. Failure to use the product in accordance with instruction or restriction printed on such identification tags voids this warranty.
